Review of Agenda

*All items listed in this portion of the agenda are considered to be routine by the ASG Senate and will be enacted by one motion. There will be no separate discussion of these items unless a Senator so requests; in which event, the item will be removed from the Consent Agenda and considered under the Regular Agenda. Unless otherwise indicated, titles are self-explanatory.*

- a. Consent Agenda Items
- D. Regular Agenda:
  - a. Senator Redmond-Palmer: Campus Cat Colony Committee - The ASG team will review the proposal submitted by Senator Redmond-Palmer. He provided a brief overview of the proposal and

is seeking a permanent solution to help the cats/kittens. He wants to keep cats safe and needs support. He wants ASG to provide a campus service and to help because we want to. The cats need a permanent home because they can't live on campus. Senators voted by roll call. 7-2-1, motion will not be passed.
