- a. Consent Agenda Items
- I. Regular Agenda:
  - a. Calvin Diggs attended the meeting today starting with some questions about CSUP. He mentioned that “when you know you love something, you know everything about it.” He then states he is a director of the rec center and handed out a handbook about the rec center. He believes in community and says there is something for everyone at the rec center and pays to go and be there. “Health is Wealth” If you are not taking care of yourself mentally and physically, you are hurting yourself. Give yourself time to take care

of yourself and love yourself. He states he appreciates the fee increase of the rec center because it gives them resources to do more. He then advertises the 5k on Saturday and says to be there and show up for yourself and others.

- b.* Confirmation of Adiran Sanchez: He believes that he will be a good fit because he is very involved on CSUP campus and ensures that every student will be heard and respected. He wants to serve and show fairness and transparency to our students.
- c.* Confirmation of JJ McCranie: He is the president of Speech and Debate Club. He really cares about his role and believes that being a justice would support his beliefs of fairness and kindness towards students.
